BUA Athletic Offerings and Schedules Fall 2017

Varsity Soccer (co-ed)
Junior Varsity Soccer (co-ed)
Cross Country (co-ed)

All teams are co-ed and open to any student regardless of prior experience. BUA student-athletes are expected to manage their schedules so that they can meet all course requirements while also honoring all team commitments (i.e. meetings, practices, and games). Team schedules will be made available on the BUA website during the first week of school.

- Interest meetings will be held in the gym at 2:15 p.m. on September 6
- Optional pre-season soccer practices will be held from 3:30-4:45 p.m. on August 28-30

Physical Education (required of all 9th and 10th graders)
Students will rotate through a series of 7-8 weeks PE modules. Possible offerings include:

- Aerial Dance - Core
- Aerial Dance - Silks Skills
- Ballroom Dance & Swing
- Basic Weight Training
- Cardio Jazz Funk
- Cardio Kickboxing
- Crew
- Cricket
- European Handball
- Fencing

- Zumba

All 9th and 10th grade students should complete the PE Preference Survey by August 15, so that we can gauge interest in particular activities and do our best to match students with their first choices.

Your child’s health and safety is paramount. Boston University Academy is proud to use ImPACT (Immediate Post Concussion Assessment and Cognitive Testing) to assist in evaluating and treating head injuries for all students who participate in Physical Education programming or after-school sports.

An ImPACT consent form or waiver is required of all 9th and 10th graders who will participate in physical education programming as well as of those students who intend to join an after-school sports team.
